

Please, complete and sign this Certificate of Deinstallation, and fax it to 918-749-2217, or email to support@statsoft.com. Signing this document indicates that you have uninstalled the software and license files from the computer system where it was previously installed.

Upon receipt of the completed document the license file for the reinstallation will be processed (typically the same day to avoid downtime).

StatSoft, Inc. Certificate of Deinstallation

Whereas, the individual or entity indicated below (the "licensee") has previously installed certain software products (the "Software") from StatSoft, Inc. ("StatSoft");

Whereas, the Software is licensed for use by a limited number of users on a limited number of computers and/or servers and the number of users and computers is monitored by license management software, which tracks the authorized number of users and installations;

Whereas, the Licensee desires to install the software on a new computer hardware;

Whereas, StatSoft is willing to comply with the Licensee's request subject to the terms and conditions below.

Now, therefore, for good and valuable consideration StatSoft and Licensee hereby agree as follows:

1. Deinstallation. Licensee hereby certifies that they shall fully uninstall all copies of the Software from any server or other computer or system on which the Software was previously installed; and, provided further, that in no event shall Licensee's use of the Software exceed the total number of users for which Licensee has paid the applicable license fees.

2. Audit Right. Licensee agrees that in order to ensure Licensee's compliance with the foregoing, StatSoft shall, upon two (2) days prior notice, be entitled to inspect Licensee's premises where the Software is located in order to confirm compliance with Section 1 ("Deinstallation") above.
